

UTEN Technology RapidScreen Form

Company and/or Technology Name:	Scores: 0-10 10 = best
Inventor Cooperation <i>Openness, motivation to help us, teamwork with tech transfer office, business sense</i>	
Development Status <i>Is there a prototype. Is the technology inside a market-facing product? Are there sales?</i>	
Intellectual Property <i>This includes patents, provisional patents, trade secrets, copyrights. Is there any? Is it meaningful? Does it protect something important?</i>	
Ownership <i>How many people own the technology? Do external research funders control usage? Simpler is better; looking for freedom to operate.</i>	
Market Opportunity <i>Do they know specific markets to target that are segmented and well considered? How big is the market?</i>	
Market Pain <i>Does the technology/product solve a problem anyone cares about?</i>
